

SIERRA CLUB
FLORIDA CHAPTER

Broward County Group

May 22, 2024

Dear Hollywood Sierra Club member:

Broward Sierra proudly endorses Catherine "Cat" Uden in her campaign for Mayor of Hollywood. After carefully screening candidates, Sierra Club Broward Group Political Committee voted unanimously in our selection of Cat for Mayor, and against incumbent Mayor Josh Levy who is running for reelection. The election is November 5, 2024.

As a Hollywood voter, please join Cat's campaign by visiting her website <https://catudenformayor.com/> and sign up in the "Contact Us" at the top, or donate.

Cat Uden is highly qualified to serve as our Mayor. She has a proven track record of leadership on environmental issues at the national, state, and local level. She has worked tirelessly within the government to improve public services, broaden access, and empower all residents, not just developers.

Unlike opponent Mayor Josh Levy who represents a car dealership, Cat pledges that if elected she will be Mayor full-time, and accessible, responsive, and transparent.

Hollywood faces very serious issues in stormwater flooding, transportation, and housing. Under the incumbent Mayor Levy we have been distracted with private developers trying to take over public beach property. Unchecked, they will ruin Hollywood with high density housing in existing neighborhoods.

Cat Uden is a 20-year resident of Hollywood and trusted public servant. She taught in Broward County Public Schools for 15 years, before working for Oceana, a nonprofit ocean conservation organization. She has been Chair of the City of Hollywood Parks and Recreation Advisory Board, Chair of the Surfrider Foundation, and volunteer member of numerous local groups such as City of Hollywood Sustainability Advisory Committee, Vice President of Stirling Elementary PTA, West Lake Village Architectural Control Board, Hollywood Woman's Club, and in 2022 she attended the Hollywood Citizens Police Academy.

Cat Uden's combination of leadership experience, advocacy for people and for the environment, and the ability to work within organizations, make Cat Uden the perfect choice for Mayor of Hollywood.

Thank you,

Your Sierra Club Broward Group Political Committee
